SPECTACLES

The aurora borealis
is mysterious and
dreamy. It is a strange
scenery in the North Pole
attracting
countless eager eyes

ABOUT THE AURORA

Magical experience

**NOTHING
ONIHLON**

ALL THINGS COME TO THOSE WHO WAIT

**NOTHING SEEK
NOTHING FIND**

If you wait to fly, give up
everything that weighs you down.

love makes the world go around

JUST TRUST YOURSELF
THEN YOU WILL KNOW HOW TO LIVE

gone never come back:
time, ~~and words~~,

FUTURE BETTER

There are moments in life when you miss someone so much that you just want to pick them from your dreams and hug them for real! Dream what you want to go, be what you want to be, because you have only one life and one chance to do all the things you want to do.

May you have enough happiness to make you sweet, enough trials to make you strong, enough sorrow to keep you human, enough hope to make you happy? Always put yourself in others' shoes. If you feel that it hurts you, it probably hurts the other person, too.

When I thought I couldn't go on, I forced myself to keep going. My success is based on persistence, not luck.
